Now is the time to finish what we have started. The **Oconomowoc Tennis Center**, a United States Tennis Association award-winning, 10-court facility at Oconomowoc High School, will be complete with one important addition.

Introducing: Match Point Commons

A desirable and necessary finishing touch for the tennis complex, this facility is designed to meet the needs of a growing number of tennis players and spectators of all ages and will provide the basic comforts including restrooms, shelter, and refreshment.

Located adjacent to the west end of the tennis courts and directly south of the Physical Development Center (PDC), the new brick building will feature:

- Public restrooms
- Class, team and spectator covered meeting area
- Concession stand
- Administrative office space
- Tennis equipment storage area

The exterior wall will offer space for donor recognition.

How will we fund it?

A renewed partnership between the OASD, the City of Oconomowoc, and the Oconomowoc Community Tennis Association, which joined forces to build The Oconomowoc Tennis Center, will re-engage to accomplish the financing and construction of **Match Point Commons**, with the OASD being the principle financial manager.

The commons is part of the **Athletic Fields Forever** capital campaign now underway to renovate all the outdoor sport playing surfaces at OHS. The Oconomowoc Sports Booster Club is sponsoring the overall \$3.9 million campaign.
